OIC OF AMERICA

Helping People Help Themselves

EXPLORE

OIC of America provides low-income people with the tools and support to overcome barriers to economic opportunity and social justice in America.

OUR INITIATIVES

LEARN MORE AT WWW.OICOFAMERICA.ORG

Vocational Training

Offering opportunities for education and training that help low-skilled workers learn new skills and earn industry-recognized credentials that enable them to launch family-supporting careers with clear pathways for advancement. Education

Work Readiness

Offering employability skills training to address topics such as effective communication, problem solving, resume building, interviewing, and job search skills.

Education

Providing individualized support combined with an academic environment that exercises flexibility in designing educational programs adapted to individual, cultural, and community needs.

Youth Development

Engaging the youth within their communities, schools, organizations, peer groups, and families to recognize, utilize, and enhance their strengths.

Healthcare

Providing individualized support combined with an academic environment that exercises flexibility in designing educational programs adapted to individual, cultural, and community needs.

Re-Entry

Providing individualized support combined with an academic environment that exercises flexibility in designing educational programs adapted to individual, cultural, and community needs.

OUR VALUES

We believe in:

 Self Sufficiency

 Citizenship

 Grass roots
